

LMRW - 16

Street Light / Area light - IP 65

An extensive designed range of premium street lantern offering efficient lighting for safe and comfortable driving. Lumitron's LMPT-16, is designed to accept wide range of discharge lamps. Thanks to its unique shape and form. It provides elegant appearance, aesthetically suitable for prestigious projects. Ideal for major traffic roads, residential streets, arenas, modern architectural environments.

Specifications

- Housing: sturdy construction, one-piece die cast aluminium alloy.
- Finish: polyester powder coated for superior corrosion resistance in black, grey, or white. Other color available on request.
- Reflector: multi faceted anodized aluminium reflector. Provides wide beam light distribution.
- Diffuser: heat resistant, safety glass lens.
- Stainless steel screws and non-aging durable silicone rubber gasket.
- Lampholder: porcelain E27 or E40, 5 KV pulse rating.
- Control Gear: Lumitron fixtures are standard with P.F corrected system. Lumitron employs only super-imposed ignitor (where required) to avoid ballast failures during ends of lamp life.
- IP 65, dustproof and jet-proof. Class I Electrical.
- Standard and Conformities: DIN, VDE, IEC 598-2-3-1993.
- Custom design decorative pole. Please contact Lumitron for more information.
